"cloud accountants for grwoing your business"

Focus remains centered around you – **Our Client**. Only by working closely with you, in the way that you require, can we guide, advise and support you in the most effective way. We recognize that you want to be looked after by an experienced team. A team you can get to know, not one changing every year. We also recognize you have unique and specific goals for your business and your finances.

We pride ourselves on building long-term relationships with our clients. This means regular contact. Not once a year, but throughout the year, so you can be confident about receiving the right advice and right service at the right time to help you reach your goals.

Mission and vision

Vision

- To grow Leozzy Accounting into one of the most competitive accounting and tax firms and leaders in its field
- To be highly respected accounting firm in the South Africa where clients come for the peace of mind that their interests are being cared for by a team that enjoys working with them and with one another.

Mission

- Our mission is to provide top class service that will satisfy the needs of our clients.
 - To provide service that will make a valuable contribution to the business or organizations of our clients.
- We aim to give them the opportunity to carry out their businesses, knowing that this fractions of their businesses is well taken care of.
- We aim to gain our clients' faith and to make sure that they know they can rely on us.
- We aim to create a long and lasting relationship with our clients, a relationship that will be beneficial to both our clients and Leozzy Accounting.
 - We aim to achieve all of these through the policies we hold ourselves by: Hard work, Dedication, and Passion..

Objectives

- To have an in depth understanding of our clients' business and to ensure it is running smoothly.
- To work with clients in an environment founded on respect and trust, providing them the absolute best financial and business information they need to create, enhance and preserve wealth.
- To provide a full accountancy package to individuals and businesses in a professional and friendly atmosphere.
- To enable our stakeholders to succeed through strong leadership of a cohesive and well-resourced company.
 - To enable clients to cut expenses without sacrificing quality.
 - To automate client's business, so that you can save days, weeks, or even months worth of time and money.
- To be a leading, recognized and highly successful business providing accounting, tax and consulting services.

Values

We are honest and passionate in our accounting, tax and consulting work as we seek our client's need for real change and success.

- Ethical behaviour
- Quality & excellence
- Honesty
- Proactivity & reliability
- Responsible corporate citizen
- Open communication

Industries we serve

CONSTRUCTIONS: All contractors and operative builders engaged in the construction of residential, farm, industrial, commercial, or other buildings. Construction

TECHNOLOGY: Leozzy Accounting provides services from accounting to tax planning as well as consultancy services. We understand the importance of tax planning to company's where there is a high commitment to ongoing development.

START UPS : Leozzy Accounting nurtures start-up companies through the difficult initial stages of trading and providing the building blocks to ensure the business grows with the strongest of foundations.

RETAIL: Retail is an extremely diverse sector in which we help companies achieve a strategic advantage in this fiercely competitive market by combining sector knowledge and understanding any issues and specific challenges that they face.

MANUFACTURING : At Leozzy Accounting Corporate Solutions, we work closely with companies in all areas of the manufacturing industry which makes us well aware of the many issues this industry faces in particular.

OIL&GAS: We have developed accounting services to address the compliance needs and standard tax practices of the oil and gas industry. We provide accounting services to exploration, drilling, production, development, pipeline and service companies, including independent operators, service companies, equipment companies and joint ventures.

NON PROFITS: Non-profit organizations do not always measure success the way other businesses do. Their goals are different—social service, cultural benefits and number of people served. We helps non-profit organizations manage themselves, grow and stay at peak performance.

REAL ESTATES :The volatility in the real estate industry highlights the importance of managing cash flow, developing innovative tax strategies, and evaluating potential acquisitions and dispositions. Our small business tax accounting team have the consulting expertise to assist you in resolving these issues.

HOSPITALITY: In today's competitive consumer marketplace, restaurants, hotels and related leisure-oriented companies are under constant pressure to improve profitability, increase sales and control costs. We realize that success in today's marketplace depends on top-line growth and effective cost management.

SCHOOLS: Our accounting activities at schools cover all the areas you would expect from an accountant. We take the workload off your hands by preparing your annual accounts, organizing your administration and dealing with VAT returns. But we also help by giving practical advice. We think with you when taking new steps or before making important decisions

INDIVIDUALS: Financial reporting is subject to specific rules. For example, with monthly and yearly financial reports separate rules apply, and incorrect application will cost you dearly. Looking for help with your accounting? Our accountants can assist with a variety of accounting operation.

BUSINESS DEVELOPMENT AGENCIES :Online cloud accounting services allows you to access your accounts anytime and anywhere.. Our certified staff will help you in starting and organizing this real-time accounting environment..
